April 08, 2019

To Whom It May Concern

This is to confirm that the paper titled "**A decentralized multi-ruling arbiter for cyberspace mimicry defense**", and authored by **Congqi Shen**, has been accepted, upon **peer-review**, for **oral presentation** in the 2019 International Symposium on Networks, Computers and Communications (ISNCC'19) (technically co-sponsored by IEEE and IEEE Communications Society). The paper is not yet registered and it will be published in the conference proceedings and submitted to IEEE Xplore under the condition that it will be registered and presented at the conference. The conference is taking place in Istanbul- Turkey, on June 18–20, 2019.

The IEEE is an educational, non-profit organization, and is the world's largest and oldest professional association of computer and communications scientists and engineers.

Sincerely,

Prof. Dr Tarek Bejaoui
ISNCC'19 General Co-Chair
